WORD LIVING

Volume 1 / Issue 3 – March 2018

WELCOME TO WORD LIVING

LEARNING TO TRUST AND OBEY THE WORD “THE MY WAY GENERATION?”

By the grace and mercy of God we begin a new month. We are here and thankful for his mercy and grace. What a blessing to see March 2018.

Let us be swift to share God’s word in speech and action. For the time moves closer to his second coming and we want none to be lost.

In September, we began in Judges Chapter 2:1-10 (KJV). When we read verse 10, those who followed God had died and there arose a generation that did not know God, nor the works that he had done for Israel.

Walk with me and review the past years. Where were we as Satan stripped God’s voice from the normal everyday interactions of everyday life? Did we know the future impact? Did we care? Look around, do you want change? If the answer is yes, then...

DO WE GO FROM HERE?

As I write, my heart mourns that on this 15th day of February 2018, we have already had 18 school shootings in the United States. This is not a record of praise, but a sign of deep trouble in the hearts of many.

As you read this letter, are you praying? Are you seeking God's word so you can reach out to your family, friends, community, and church groups and /or wherever the Lord leads so you can make a difference in just one? If you can reach just one, and they can reach another, perhaps the one who needs it most will be changed from this interaction.

We have the power of God in us to share the Biblical truth that changes lives. Our God can deliver, we must be visual in our study and willing to shine the light of truth no matter the cost.

It is not about our families, friends, and communities, but we are all in this world together. The families that have been impacted are our brothers and sisters and need our prayers and words of support.

Satan will not always visit others. The hatred, evil spirits, and unrealistic actions exist in every community. The key is the willingness to address it when we first see it and be prepared to be used by God to speak boldly and the truth will prevail.

It is because of Jesus we are free to do his will and stand on his word without fear and it is on the blood-soaked soil that we have a glimmer of earthly victory over poverty, hunger, clean water, education for all, basic needs of housing, medical help, and some protection against thieves.

We did not pay the cost for what we have, but we must be willing to stand if we are to mark the path for others to travel.

A PLACE TO START!

There are three (3) key forces that can interact together to instill positive living values in each of us. Those three (3) are: the home, the church, and the school. And there is a 4th - the peers, which must be watched at all times for they can promote change like the wind depending on the group.

What does the Bible say to Parents? Verses (KJV)

We are accountable to God for obeying his law as it relates to our responsibility as parents. Our failure is costly to everyone now and in the future. We cannot afford to disobey God's word and a soul be lost. Proverbs 22:6 says, "Train up a child in the way he should go; and when he is old he will not depart from it." See February's newsletter for more information.

THE CHURCH

The purpose of the church : Acts 2:42 could be considered a purpose statement for the church: "They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer." According to this verse, the purposes/activities of the church should be 1) teaching biblical doctrine, 2) providing a place of fellowship for believers, 3) observing the Lord's supper, and 4) praying.

The above prepares us for outreach. **Outreach** is stated in 48 scriptures and one of them is Matthew 28:19-20, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen."

Action follows training - If there is concern about the actions that dominate the news that means there is a need.

Are you willing to answer the call? Are you willing to serve in the fight for souls? Are you willing

Let your answer be, "Here am I oh Lord send me."
