

## OUR PURPOSE

Our purpose is to offer help to families with budgeting and planning. We assist families in obtaining knowledge and awareness of all human resources/ services available to them. We sponsor FREE seminars that coordinate various services to meet changing needs.

For more information on events we sponsor visit us on FACEBOOK or our website:  
<https://www.stewardinaction.com>

*helping people...  
help themselves*

# WORD LIVING

**WELCOME TO WORD  
LIVING MAY - JUNE 2020**

**We give praise for the opportunity to share the word of God with you.**

## **Coronavirus disease (COVID-19)**

**The subject is on our minds and for some, it has been life changing.**

**We woke up one morning and things had changed. Though we cannot see it, the virus would leave its mark on the world as never before. A virus is microscopic parasites (an organism that lives in or on an organism of another species (its host) and benefits by deriving nutrients at the other's expense.**

**Viruses are microscopic parasites, generally much smaller than bacteria. They lack the capacity to thrive and reproduce outside of a host body.**

**Something we cannot see, has come to remind us that we are not in charge. 2 Chronicles 7:14 KJV If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and**

## **The key words are If and Then**

**We read scripture, and for the most part, we can say it verbatim, but the reality is, Jesus is in charge and we need to seek his face.**

**Our priority may need to be readjusted. The owner of all, has sent a message to remind us, the only true investment is spending time in the word, so that we live according to his directions, teach our children by example how to honor and obey his word, and place him first in all that we say or do.**

**Does the name of Jesus appear at the tops of your planner? I know I have fallen short of this action as I get up rushing or answering a call, etc. that may mean rushing to do something else.**

**“NO EXCUSE LORD, I FAILED, I AM SORRY, PLEASE FORGIVE ME.”**

**And so, the Devil does not get me off track, I added written note to my screen and phone, to talk to Jesus first. Note the key words: 2 Chronicles 7:14 KJV **If** my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; **then** will I hear from heaven, and will forgive their sin, and will heal their land. The Lord has provided all we need, and only asks us to do what we were designed to do, so we achieve our purpose and receive his blessings. Note the word **if**, comes first and the action of healing that only God can provide.**

### **QUESTIONS FOR THOUGHT?**

**Does Jesus Christ have our attention? Are we listening?**

**Dear Jesus, for everyone who reads this letter, may they be at peace knowing that you are in charge.**

**May we remember to:**

- **Pray, trust God, and obey the guidelines.**
- **Take time to let family and friends know we are thinking about them.**
- **Face time grandparents and share the art of conversation.**
- **Call a friend and sing some old songs and laugh.**
- **An act of kindness is never too small when love is the theme**

**We look forward to serving you in the fall.**

**During the Shelter-In-Place, follow the rules to keep everyone safe. It is a time to reminder, that each day is a blessing from God. We are called for a purpose. And now we have time to reflect on the many blessings and encourage others that our God has never failed**

**We pray for the many families who have lost loved one. We look forward to a time when we can visit, break bread, and hug. Until it is safe, we pray for peace, safety for all, provisions for those on the front line, food for those in need and a cure for COVID-19.**

**Much love and prayers,**

**Karen**

*“Furthering Families in  
Financial Freedom”*

- **Research by the National Institutes of Health (NIH) says particles can live up to 24 hours on cardboard, and up to 3 days on plastic. Dr. VanWingen encourages consumers to:**
    - Wipe down plastics**
  - **Sanitize the counter before bringing in the groceries**
  - **Get rid of external packaging like the boxes**
  - **Rinse fruits and vegetables**
  - **Disinfect things like the canned goods, chip bags**
  - **Use a credit or debit card instead of cash to avoid receiving change.**
  - **Take sanitizer or germ wipes for your hands and carts. Wipe your cart before shopping and sanitize your hands after using high touched surfaces like handles to the dairy section.**
- From Stewards In Action:**
- **Share where possible that all may have something.**
  - **Follow the distance request so all will be safe.**
  - **Buy only what you need.**
  - **Serve small portions so there is no waste.**
  - **Check on the elderly – call or drop off a care package.**
  - **And remember, the homeless. One can will make a difference.**
