

## OUR PURPOSE

Our purpose is to offer help to families with budgeting and planning. We assist families in obtaining knowledge and awareness of all human resources/ services available to them. We sponsor FREE seminars that coordinate various services to meet changing needs.

For more information on events we sponsor visit us on FACEBOOK or our website:

help themselves*

# WORD LIVING

## WELCOME TO WORD LIVING - JUNE 2020

**We give praise for the opportunity to share the word of God with you.**

**We have sheltered in place, prayed, and said final goodbyes. On May 28, 2020 17:54 GMT the report noted 5,854,308 Coronavirus cases, 359,842 deaths and 2,539,970 recovered. So many people and yet the number keeps growing daily around the world.**

**My heart aches as I watch the cars line up for food, the people who have lost jobs, some front line workers who were still reporting a need for more PPE (Personal Protective Equipment), and those families with members sick and/or dying who could not be at their bedside. I felt their pain. And yet, without a doubt, I trust God.**

**In our many years of writing, we have never faced such pain, sorrow, anger, and hostility. I ask that you pray with me for healing, safety, and financial support for those in need, that all the world would desire to have a personal relationship with God, that truth and honesty will prevail no matter the cost, that all of mankind would seek God first in everything, and that the love of God would be the measure by which all decisions are made. We are printing from home with care.**

**Should the Lord delay his coming, we will begin another year of Word Living in September 2020. Theme - Inviting Jesus to Live In your Home.**

**Love and Prayer Karen**

current issues.

Thank you for your support.

*“Furthering Families in  
Financial Freedom”*

- **Research by the National Institutes of Health (NIH) says particles can live up to 24 hours on cardboard, and up to 3 days on plastic. Dr. VanWingen encourages consumers to:**

### **Wipe down plastics**

- **Sanitize the counter before bringing in the groceries**
- **Get rid of external packaging like the boxes**
- **Rinse fruits and vegetables**
- **Disinfect things like the canned goods, chip bags**
- **Use a credit or debit card instead of cash to avoid receiving change.**
- **Take sanitizer or germ wipes for your hands and carts. Wipe your cart before shopping and sanitize your hands after using high touched surfaces like handles to the dairy section.**

### **From Stewards In Action:**

- **Share where possible that all may have something.**
- **Follow the distance request so all will be safe.**
- **Buy only what you need.**
- **Serve small portions so there is no waste.**
- **Check on the elderly – call or drop off a care package.**
- **And remember, the homeless. Just one can of food can make a difference.**
