

OUR PURPOSE

Our purpose is to offer help to families with budgeting and planning. We assist families in obtaining knowledge and awareness of all human resources/ services available to them. We sponsor FREE seminars that coordinate various services to meet changing needs.

For more information on events we sponsor visit us on FACEBOOK or our website:

WORD LIVING

**WELCOME TO WORD
JULY 2020, SPECIAL EDITION**

We give praise for the opportunity to share the word of God with you.

We have sheltered in place, prayed, and said final goodbyes, and still Coronavirus pandemic continues around the world.

Some states have pause or rolled back reopening plans. Cases in the South and Southwest are rising quickly.

The White House is focus on reopening schools.

Some people do not have health care coverage.

Parents are concerned about their children have difficulties adjusting to new routines and what about face masks? And How can I keep my children safe?

In the midst of it all, there is a movement of the people for Social Justice in the United States and Beyond.

My heart still aches as I watch the cars line up for food, the people who have lost jobs, and those families with members sick and/or dying who cannot be at their bedside. And yet, without a doubt, I trust God.

In our many years of writing, I have seen such pain, sorrow, anger, and hostility. I ask that you pray with me for the mental and physical healing of people around the world, safety, and financial support for those in need, that all the world would desire to have a personal relationship with God, that truth and

honesty will prevail no matter the cost, that all of mankind would seek God first in everything, and that the love of God would be the measure by which all decisions are made.

As cities and/or states plan for reopening, let us focus on the safety of all. Sometimes we must focus on others so we can all be safe.

Leadership must view the total picture and seek to do what is best based on the facts known at that time. When we pray, remember them that God will guide their decisions. It is a great responsibility to be a leader. They cannot always do what we think is right, however if they serve the people to the best of their ability, they deserve our respect.

Remember to prayer for each other and check on family and friends. Your call can make a difference.

Last, children like to be busy. Color some pictures for the neighbors and place it on their window.

Little is much in times like these.

Much prayer and love Karen

current issues.

Thank you for your support.

*“Furthering Families in
Financial Freedom”*

- **Research by the National Institutes of Health (NIH) says particles can live up to 24 hours on cardboard, and up to 3 days on plastic. Dr. VanWingen encourages consumers to:**

Wipe down plastics

- **Sanitize the counter before bringing in the groceries**
- **Get rid of external packaging like the boxes**
- **Rinse fruits and vegetables**
- **Disinfect things like the canned goods, chip bags**
- **Use a credit or debit card instead of cash to avoid receiving change.**
- **Take sanitizer or germ wipes for your hands and carts. Wipe your cart before shopping and sanitize your hands after using high touched surfaces like handles to the dairy section.**

From Stewards In Action:

- **Share where possible that all may have something.**
- **Follow the distance request so all will be safe.**
- **Buy only what you need.**
- **Serve small portions so there is no waste.**
- **Check on the elderly – call or drop off a care package.**
- **And remember, the homeless. Just one can of food can make a difference.**
