# WORD LIVING

SEPTEMBER 2019

WELCOME TO WORD LIVING 2020

We give praise for the opportunity to share the word of God with you.

**DESIGNED TO MAKE A DIFFERENCE!**

**This summer, I had the opportunity to take many pictures on my cell phone. Some were better than others. But the key point, I wanted to use them in my presentations. There was only one small detail. How do you get the pictures from the phone to the computer? Now for the computer geeks, you click, crop, etc., and there they are.**

**For me, you click, click, hope and sit. Following direction, even those I wrote, became useless by the time I got home.**

**So, I packed up my laptop, cell phone, all the cords I had, note pad, pencils and off to the store I went. When the young man saw me, he just knew, I was at that point. So, in 60 seconds, he showed me how to connect the cord, press a button, download the file, and**

**there they were. I had a look on my face that expressed my inner feelings. With a smile, he said, "I do this all the time. If you have any problems, call me or stop in. We are here to serve you." Now all I have to do is practice getting the whole body in one snap.**

## **WORDLIVING HISTORY:**

**Before the computer age, Wordliving was hand-written notes to the Sunday School class mailed to those that missed Sunday School back in the 1960's. After all these years, some are still on the mailing list. The key was, to provide words to encourage the students to study the Word for it would provide all they needed to succeed on earth and insure the blessing of life eternal with our Lord.**

**The word, from a childhood friend, Pastor Arthur Agnew, noted some key point about life.**

**We are never alone. Wait on God. God has a plan. God sees the long distance. God makes a way. Be yourself. Be what God says. God is repositioning you for something else. Obey God. An Angel has been dispatched.**

**In that I looked back over the years and came to the realization that all of our struggles and limitations were designed to help us achieve the goal God had designed for us. **WHAT IS GOD CALLING YOU TO DO?****

**God has called me to share the word that provides directions for every aspect of life. He speaks and I listen as he shows me how to live and the repercussion for disobedience.**

**Each of us has a purpose and we are designed for it. We have all we need to succeed, but sometimes we are sidetracked by the success or what we perceive is the success of others. We leave what we have to get what we want only to lose our blessings at a cost we cannot afford.**

**WHAT IS GOD CALLING YOU TO DO? If you answer is, I Don't know? Then it is time you pray for directions. The need is great, the time is now, the harvest is ripe, and laborers are needed.**

**Perhaps the list will help you see a need that you can fill.**

- ❖ **Visit the sick. Share a scripture and prayer.**
- ❖ **Drive someone to their appointment.**
- ❖ **Send a card to encourage someone.**
- ❖ **Donate a school supply for those in need.**
- ❖ **Talk to a teen. Ask them how they are doing.  
Prayer for them. Let them know you care.**
- ❖ **Pray for and support jail and prison ministries.**
- ❖ **Donate time, clothes, and/or financial support to  
those in need.**
- ❖ **Ask someone to join you in Telephone Prayer for  
the community, nation, and the world.**
- ❖ **Share a scripture and prayer with someone that  
lives alone. Only a few minutes can make a  
difference.**
- ❖ **Help the children make happy cards for members  
who are sick.**

**The above requires time and interaction with others. But did our Lord say we are to love one another? And Love is an action word. And he has provided all we need to accomplish the task. Try one this week. Share and be blessed.**

**On behalf of Stewards In Action, we wish to express our sincere thank you for your support over the years.**

**What started as a simple handwritten letter to Sunday School Students has been read by many adults and their children.**

**We thank God for the opportunity to share what He give me with you. Many of the subjects were challenging but when God says to write I obey.**

**Some subjects hit home and all I could do is say, “Lord, I am sorry. Please forgive me.” And he did.**

**We ask for your prayers as we seek our Lord’s direction for SIA in the coming months.**

**May his love fill you with joy and peace.**
