help themselves*

WORD LIVING

NOVEMBER 2019

WELCOME TO WORD LIVING 2020

We give praise for the opportunity to share the word of God with you.

FAMILY DESIGNED TO MAKE A DIFFERENCE!

November, the time we give thanks as individuals, family, and a nation. It is a time were many will agree, with all the storms and fires, we are grateful to God for his mercy and thankful for just being alive.

I am reminded that the holiday is a is the perfect time for family to gather and share stories, pictures, history, and how God brought them through the struggles of life.

If we don't tell the story, how will the next generation learn to trust and obey God? If we do not spend time in the training and sharing, we open the door to Satan who seeks to steal, kill and destroy. This is a perfect opportunity to share with the family about the source of all blessings and God's design for the family.

Parents: We are called to live and teach the word of God to our children, so they will know God's instructions that prepares them to live holy.

As parents, we either prepare our children to follow Christ or follow the world. The world has no love only death!

DESIGNED TO MAKE A DIFFERENCE!

The Bible teaches the role of each member of the family:

FATHER – The priest, provider, and protector.

- **Priest - the Husband/Father's role as a priest is to spend time in prayer each day remembering the needs and concerns of his family. He prays for their salvation and the forgiveness of all of their sins. His trust is in Jesus Christ and it sets the spiritual tone in the home. He sacrifices his life for theirs. He stands in the gap for his family.**
- **Provider – He provides and cares for the well-being, of his family, both physically and spiritually.**

REF: (1 Timothy 5:8).

Protector – He would do all within his power to protect his family because of his love for them. If needed, he would give his life. REF. Ephesians 5:25-32.

When our home lines up with the word of God, the love of God shines through each member. The power of prayer, respect and love for each other keeps Satan from stripping the many blessings our Lord has for his children.

NOTE: Family is very important. Satan seeks to destroy the role of each family member. Why? So that the family has no love or respect for each other, they do not show the love of Jesus, and they miss the blessings that Jesus promised because they disobeyed his word.

When families fail to follow Jesus, they miss the blessing that Jesus wants to give them – love, joy, peace, hope, and the earthly blessing of unity. Note Psalms 127 and 128

When we follow God's plan, our family receives the benefits of a home where there is God's love, God word is respected, and each member of the family shows respect for each other.

A profound mystery Ephesians 5:32-33 (KJV) This is a great mystery: but I speak concerning Christ and the church. Nevertheless, let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband.

The relationship between a husband and a wife is meant to be one of love, respect, and support. Helping each other, praying together, teaching and living the word, and being an earthly example for their children on how to follow Jesus.

DON'T LET SATAN STEAL YOUR BLESSINGS.

DON'T LET SATAN TAKE YOUR FAMILY.

THE BATTLE IS WON ON YOUR KNEES.

Love and prays until next time, Karen
