WORD LIVING

Volume 1 / Issue 2 – December 2017

WELCOME TO WORD LIVING - LEARNING TO TRUST AND OBEY THE WORD THE MY WAY GENERATION?

We pause at the close of 2017 to say thank you for your many years of support.

2017 was a year to be noted in that, I received phone calls from dear friends, who encouraged us to continue, thanked us for the word and the seminars. The Lord provided unexpected monetary blessings through his servants and, thinking back, those who called left me with words that will remain in my heart forever because their call was a final message and now they are at rest. Oh, the joy of knowing Jesus.

We look forward to serving you in 2018 and providing helpful information so you can help others help themselves.

The November newsletter closed with two (2) questions to think about:

1. Have we followed the word by living and teaching Jesus, as recorded in the Bible, to your children and grandchildren?
2. Have we reached out and shared the word so that others know about Jesus?

This month we celebrate the birth of Jesus with songs, speeches, and gifts. Some share meals and asking others to donate funds to help minister to the poor and needy.

Families gather to celebrate, church bells ring melodies that remind us of our Savior's birth. People smile and say, "Merry Christmas-Happy New Year," to strangers because there a joy in the air.

And yet, once the celebration ends, it is business as usual with no regard to the real meaning we exist - to give glory and honor to our Lord and obey his word.

Our TV is filled with images of killings, abuse of power, pain, and sorrow, we awake every day to a new disregard for life and respect for self and others. But this can change, and it begins with us.

As of today, begin each morning in prayer and the reading of God's word for directions. Take time to smile and greet someone as you go about your day. Do not stop because they do not smile or speak, they maybe in shock because no one has spoken or smiled before.

Give a donation to help others who have nothing because of storms, job lost, illness, and/or other uncontrollable events.

Take time to become actively involved with youth, be it family or a church group. Why? Judges chapter 2, we cannot afford to have a generation that does not know the Lord.

Let your love for God shine everywhere you go. Watch it change your work place, home, school, church, neighborhood, relationships, financial position, and even your enemies. More next time.
